SO ORDERED.

JENNIFER L. ROCHON
United States District Judge

Re: *Orient Plus International Limited et al v. Baosheng Media Group Holdings Limited et al.*, Case No. 1:24-cv-00744-JLR
Request for adjournment of Initial Prehearing Conference

Dear Judge Rochon,

The undersigned counsel represent the Parties¹ in the above-captioned case and write jointly to seek adjournment of the Initial Prehearing Conference scheduled for May 1, 2024. (ECF No. 5.)

Plaintiffs bring claims under Sections 11, 12, and 15 of the Securities Act of 1933. Defendants have stated their intention to file Rule 12 motions to dismiss which, under the PSLRA, will stay discovery pending resolution of those motions (though, Plaintiffs reserve the right to seek relief from the stay). 15 USC § 77z-1(b)(1). The deadline for Defendants to file those motions is May 13, 2024. Because discovery will be stayed upon the filing of those motions, the Parties have not yet completed a joint proposed case management plan, and believe an initial prehearing conference is premature. Accordingly, the parties jointly request an adjournment of the May 1, 2024, scheduling conference until the upcoming motions to dismiss are resolved.

The Parties have not previously requested an adjournment, and there are no scheduled hearings with the Court.

Sincerely,

/s/ Michael Rowe
Michael Rowe
